

A ROAD MAP FOR YOUR FINANCIAL FUTURE

Prepare Your Emergency Travel Kit

Be Ready for Financial Potholes and Detours

- ⚠️ **Be prepared** for the unexpected. Establish an emergency fund.

Have Roadside Assistance Available

- ⚠️ **Carry insurance.** It can protect you and your family against major emergencies.
- ⚠️ **Be ready** right away when emergencies strike. Money in a savings account is safe and easy to access when you need it.

Start saving for emergencies now. Calculate how much cash you will need to cover **three to six months of expenses.** Set aside a small amount from each paycheck until you reach that goal.
